RESEARCH EXPERIENCE

Twittersphere.net, 2020-2023
Co-founder and Research Team Leader

- Established and refined the overarching research focus, aligning with emergent topics and academic relevance in the field.
- Built and led a cross-disciplinary team of scholars, fostering a collaborative environment and promoting rigorous academic inquiry.
- Directed the preparation, submission, and revision processes for research articles in esteemed journals, promoting the circle's contribution to knowledge.

Syracuse University, 2018-2020
Policy, Place, and Population Health Lab,
Aging Studies Institute,
Research Assistant

- Spearheaded the data cleaning processes, ensuring accuracy and consistency for subsequent analysis.
- Employed advanced statistical methodologies to interpret and derive insights from the collected data.
- Designed and produced insightful data visualizations, facilitating comprehension of complex datasets.

- Conducted comprehensive literature reviews, integrating key findings into the lab's research context.
